

CLIENT ENQUIRY FORM

Client name/s and contact number

Address that the work is to be carried out at:

Commercial or residential project:

Rooms involved in the project (if open plan, state the areas within the open plan space):

The package you are interested in (please circle)

Full package details are on our website, under 'Packages'

Onsite*

The Full Works

A Happy Medium

A Little Help

**Onsite services are available for clients within a 15 mile radius to Uppingham but if you live outside this area and would prefer onsite, let me know and we can discuss!*

If you have selected onsite, please detail which options you would like help with. If it is a full design package, simply put 'full design package'. Details of all options on our website under 'Packages'

If you feel like the requirement you have is not listed in one of our packages, please let me know your requirements below:

A little bit of information about who lives at your home/will be using the space

Nature of the proposed project (e.g 'to remove current bathroom and re-design layout, source fittings and fixtures and fully decorate including accessories' or 'decorate sitting room including paint/wallpaper, curtains, furniture and artwork/accessories but no structural or flooring changes':

Have you currently got an architect/building firm involved for structural work or planning on involving one?

Do you have an estimated budget for the room/s?

Have you got a firm date for completion?

Style Preferences

Katie has put together a PDF with five styles which best reflect her interior design skill set. Please take a look at the document: this is either in your email if you have had one or simply download from the website, on the 'Package page'. Please detail below which, if any, of the styles appeal to you. Alternatively, you can pick different elements from different styles! If you wish to send over any images that you have collected yourself, please feel free to do so!

Comments about the style preference PDF:

And, finally!

- Please print this, fill it in and either scan it/photograph it and email me back a copy.
- Lastly, for me to provide a quote, I will need some photos of the room/s. Please stand at each end and take a photo in decent lighting. An email attachment is perfect.

Thank you and I look forward to quoting your project! Once you have emailed me the form and the photos, please allow maximum one week for a quotation.
